

# Old Age Application

# Schematic

- = shadow
- = highlight
- = blush

## Directions:

- apply base (lighter than usual skin tone)
  - apply contour on: temples, next to eye, along nose, under cheek bones, jawline & chin. Then blend down
  - Add complimentary highlight
  - Powder / set face
  - \* next add wrinkles! (forehead, cross feet, under eye, nasal labial folds, upper lip, bottom of mouth, neck)
  - \* add thin highlights to wrinkles
  - \* lightly blend wrinkles + set w/ powder
  - \* add blush to lower apples of cheeks + nose
- Viola! Now you're old!

\* if you're feeling like "old Spice"

\* add some white to eye brows / hair

\* layer lots on cheeks / hands / let dry = extra realistic wrinkles
